

## **Volunteer to Help Keep Bay Days Litter-Free!**

The Hampton Clean City Commission's Litter Awareness and Water Quality Committees want to make Bay Days litter-free, but they need your help to do it! Volunteers are needed to roam around the festival area in Downtown Hampton picking up litter, passing out litter-free event bags, and reminding people to keep Bay Days clean. Volunteers who commit to a four-hour shift will receive a Bay Days t-shirt. Volunteers who can give a shorter time will receive small appreciation gifts. To sign up, go to [http://www.hampton.gov/hccc/volunteer\\_form.php](http://www.hampton.gov/hccc/volunteer_form.php). Please indicate which days and shift(s) you prefer.

Ideally we need 10 volunteers for each of the time slots for litter cleanup and prevention, and then four more for litter prevention stations.

Friday:

Noon – 4 (will help set up litter prevention stations as well)

4 – 8 (litter cleanup and prevention stations)

8 – 11 (litter prevention stations only)

Saturday:

9:30 – 1:30 (litter cleanup and prevention stations)

1:30 – 5:30 (litter cleanup and prevention stations)

5:30 – 9:30 (litter cleanup and prevention stations)

Sunday:

11 – 3 (litter cleanup and prevention stations)

3 – 7 (litter cleanup and prevention stations, take down litter prevention stations)

For more information about the litter-free event side of Bay Days, contact the Hampton Clean City Commission at [hccc@hampton.gov](mailto:hccc@hampton.gov) or call 727-1199.
